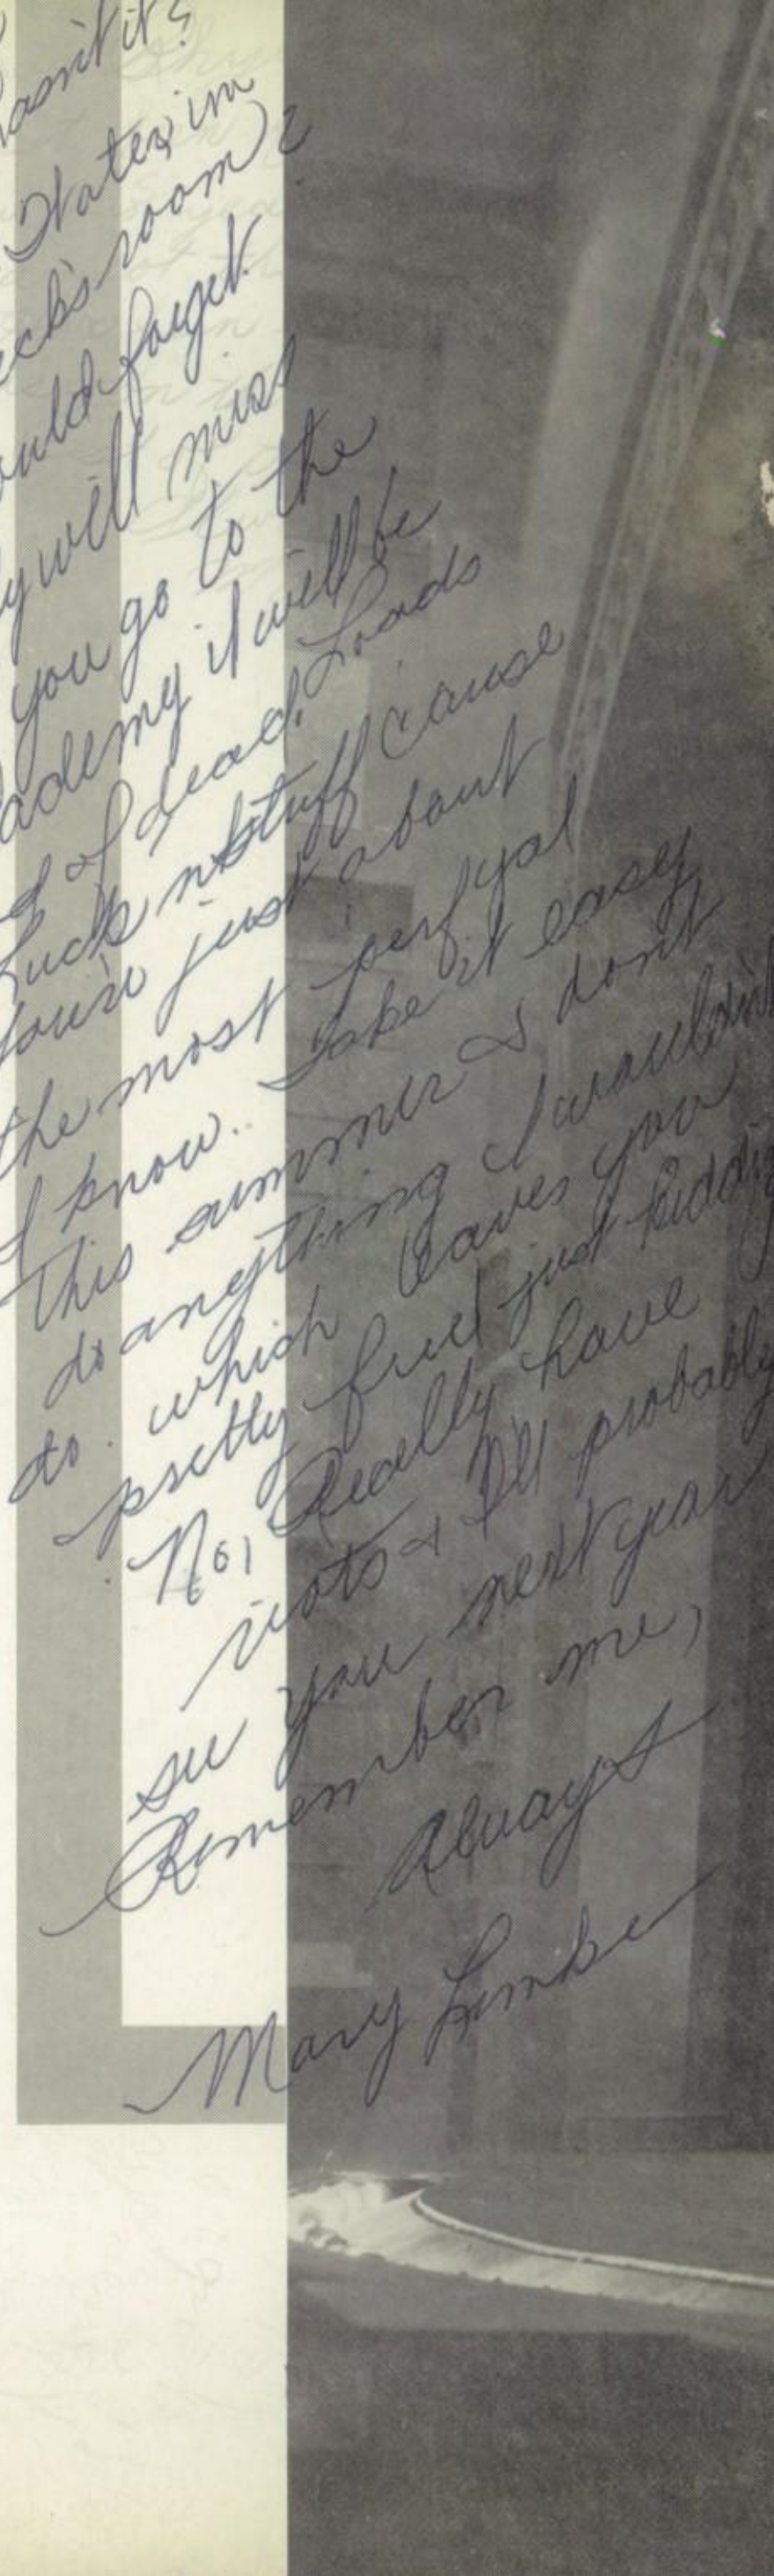
Foreword

Shakespeare once said, "All the world's a stage." So too is our high school a stage, upon which are enacted the multiple scenes characteristic of high school life. This, our 1955 Wizard, is the official program. Through it we hope to give you a glimpse of the drama of Edison, and by picture and story to make you feel an actual part of our production.



Dear

Dedication

During his thirty-three years at Edison, Mr. Pile has played many parts. As an instructor, he led us through the trials of physics; he entertained us as the emcee of many assemblies; and as a coach and athletic director, he helped to assure the success of our teams. But best of all, he is a friend to everyone, always ready with a smile, quip, or word of advice. This friendliness and his easy sense of humor have endeared him to students and faculty alike. In view of the many and varied roles he has played, and the excellence with which he has carried them out, we feel it fitting that we dedicate our 1955 Wizard to a star performer, Mr. Homer B. Pile.

Good luck to you through the years.

This letter is so you can't forget what happened in 1954-55!

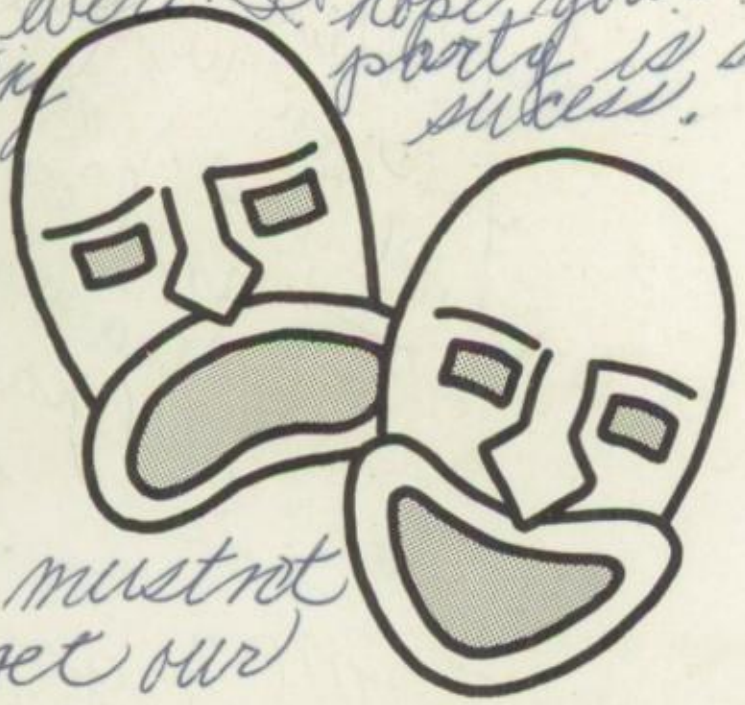
My Dearest Phyllis,

Havent we had a lot of fun this year?

To start out the year getting trapped in Swenson's room together with Louie the Lip + Ethel the Eyebrow + Tullulah the Tooth + Norma the Nose Remember when I dumped the flour over on the floor? Sheer misery!

Then remember the Winter Carnival and your real heart throb "Ronnie Bennett." What did happen when you got home!?! Remember all our strange languages? Sure you do!

Then there are the parties. yours - tons of fun - & Laines birthday - really swell - Linda's picnic - fun - all of them were. I hope your roller skating party is a big sucess.



We mustnt forget our Teachers must we.

PAUL A. SAMUELSON, Principal

Introducing the Directors of Our Drama"...

DeCoursey

The director of our drama of life at Edison is Mr. Paul A. Samuelson, our principal. He is in complete charge of our junior-senior high school of 2,000 students, and is responsible to the Board of Education of this city.

They Are the Power Behind the Production

Mr. Janes, our assistant director, has a job closely connected with the students. He organizes programs of study for the entire school, and handles the unpleasant task of discipline. He also takes care of excuses for absence.

EDDIS E. JANES, Assistant Principal

In Our Classrooms

The students at Edison High have a wide variety of subjects from which to choose, academic, commercial, and industrial. This year a new course has been added in the commercial department; namely, General Business. All in all, our school aims to prepare students for college, vocations, and good citizenship.

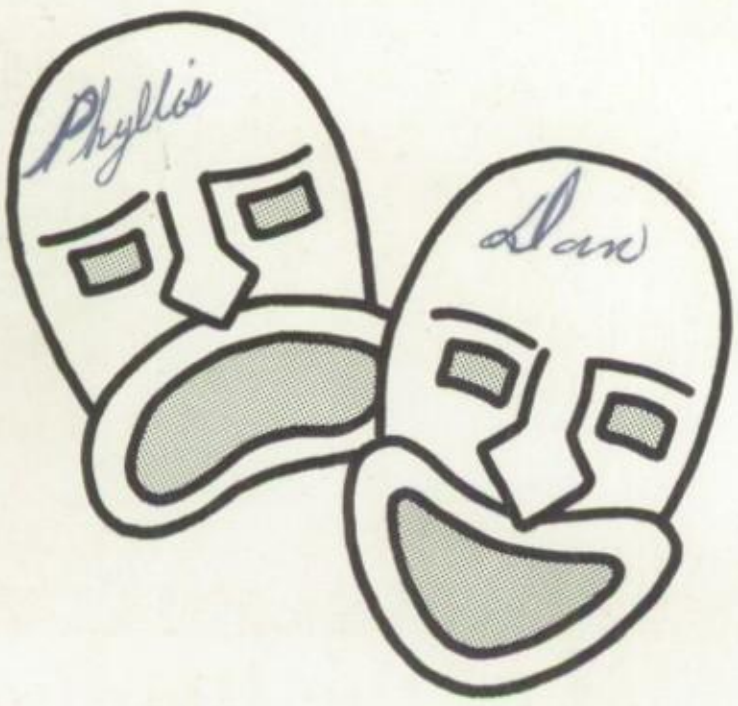
Seniors

Dear Phyllis,

Ah, never will I forget this year. Didn't we do the dumbest things sometimes? Really I think we must have been nuts. Remember Old "Testy Tobulus" room? Thats where we had most of our trouble. I wonder if they ever found out about that broken glass. You and all your boyfriends. Lets see, first there was Phillip's, then Ronnie (ish), then Cliff, and now DAN! Thats pretty good for 4 months. Wasn't Mr Bates room a riot? We worked so hard to get a picture of Cliff at Elaines party, and then it didn't turn out very good. (Dan's watching me trying to see what I'm writing)(the snoop) Wasn't our pantomime



To Seniors, This

Year Was the Long-Awaited **End of the Rainbow**

Our Senior Advisers

SENIOR CO-ORDINATOR—Mrs. Ethel Pohlson

J. Sawyer and G. Morin sign the guest book at our Junior Prom.

After playing the roles of apprentices, walk-ons, and co-stars in our ninth, tenth, and eleventh grades, at last the time came when we could have the leads in the biggest production of all — our wonderful Senior Year!

As the curtain rose on the first act, we found ourselves at school, greeting all our friends. A few days later our foreign student, Ghislaine Simon, arrived from Belgium, and in a short while she became a dear friend to all. At the Leadership Club's weekend at Iduhapi, we learned that living outdoors is really fun. Next came Sadie Hawkins Day, preceded by a turnabout week in which the girls chased the boys to tag them for the dance. Our Senior Class Play, *Ramshackle Inn*, kept us in suspense until the very end, when the murderer's name was finally revealed. On November 20, we took over Richie's service station for the entire day, in an effort to raise money for an organ for our school. The installation of an intercom system between Dana Watten's home and Edison was our next project. It soon became a very natural and everyday occurrence to see Dana's green box in our classes and assemblies. Drawing the first act to a close was our annual Santa Claus Swing, complete with a beautiful frosted Christmas tree, and, of course, Santa himself.

SENIOR ADVISORS—Row 1: Miss Choudek, Miss Torney; Miss Simmons, Miss Ramswick, Mrs. Pohlson, Mrs. Tillotson. **Row 2:** Mrs. Luther, Mr. Gunberg, Mr. Ahlstrom, Mr. Drage, Mrs. Cornelius, Miss Ward, Mrs. Kellner. **Not in picture:** Mr. Pile, Mr. Bauer.

Cabinet and Officers

Act two began with everyone working on term themes and talks, but it wasn't all hard labor. The Winter Class Party was held at the Columbia Chalet on February 26, with Gary Berg's band playing. Next on the agenda was "Operation Washington, D. C.," our exchange trip with a Washington high school, which proved to be a rare and wonderful experience. Our second act closed with our annual Vaudeville, filled with hard work, and tears of joy and excitement.

The third and final act got off to a flying start with our Senior banquet. Held on May 4, at the Curtis Hotel, it was a sharp reminder of our coming graduation. Our big Senior Prom brought it even nearer, and as we danced that night at the Calhoun Beach Club, we realized that this was probably our last Senior social event. The days rushed by, crammed with last-minute study, and suddenly Baccalaureate was upon us. This service, which we attended in our caps and gowns, introduced the climax of our entire play — graduation week. Practicing for the big night, turning in books, and going to the class picnic took up all our time. At last came the finale of our play — Commencement! As we received our diplomas, the curtains closed on a year of work, excitement and fun — one that would never come again — our Senior Year.

Dana Watten, Shining Star of the Cast of 1955

Red Lyons and Susan Schjoll are greeted at Dana Watten's home, where he has been confined with a spinal injury since July 15, 1954, when he dived into too shallow water at Coon Creek.

Dana's friends, Janet Eklund, Red Lyons, Susan Schjoll, and Ronnie Melin, are at his home telling him about the day's activities in school. Dana is always willing to listen and he is sure to hear the latest gossip. When conversation runs out, idle hands turn to help Dana with his homework.

Dana attends class through his inter-com. system, initiated by the Student Council. The box on Miss Fisch's desk carries classroom sounds to Dana's home and vice versa.

At his bedside Dana's mother is assisting him with his studies. Because of the intercommunication system, the first time used in Minneapolis, Dana is able to keep up with the rest of the students. The seniors are glad to have Dana as an active member of the class.

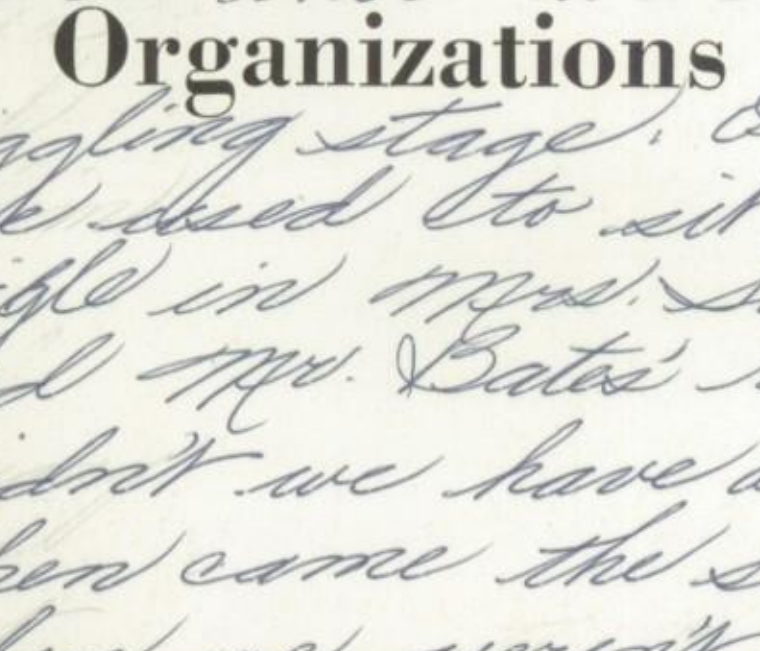
Dear Phyllis

It's sure have had loads of fun this year, haven't we? I think we must have been going through a lot of stages. It isn't there was the giggling stage. Oh how we used to sit and giggle in Mrs. Swanson's and Mrs. Bates' rooms. Didn't we have a riot? Then came the stage where we weren't satisfied with the way we talked naturally anymore and we picked up the awfulest accents. Also another thing was the way we would get so embarrassed over nothing at all. Remember how we use to walk up the stairs behind the boys and [illegible] about his [illegible] neck? "Ah Sweet Mystery of Life!"



Organizations Meant

One thing I don't think It can't that just loads of fun

Work, but **We'd Never Be Happy Otherwise**

And then, there was the

unforgetable winter carnival. Didn't you and Ronny have fun when you got home

Our Council Directs

I suppose it all was fun at the time. You had such a crush on him. You had so many other heart throbs too, Cliff Olson, and the present, Dan Pobuda. I'm sure you had some other secret ones too.

The Edison Student Council is the core of student activities. As a forecast of great things to come was the grand production of Homecoming. The parade of floats at half-time was initiated this year. Next under the spotlight was the benefit dance for Dana Watten, the senior paralyzed last summer, when $600 was raised to enable Dana to attend class by telephone, a novelty not overlooked by local newspapers and television. Another project receiving public notice was the Saturday we took over Richies Pure Oil station, receiving $300 from the day's efforts as a start on the organ fund. Other special projects were the sponsorship of a Korean child and partial sponsorship of our foreign exchange student. The annual activities of winter carnival and vaudeville as well as the assemblies and dances throughout the year are also due to Student Council's efforts.

The junior high grades meet as a separate council on alternate weeks.

Convert Sections of Our Play Into a Gay Musical

The Tommie Tones consists of 10th through 12th grade girls selected for their interest and ability in music. This year they began four-part treble harmony in addition to the three-part method.

The choir, a tenth grade group, is the youngest of the selected groups. Part of this group is later in Choral Club. They take part in the Christmas and Spring choral productions and assemblies.

The sight of the Edison band on the athletic field serves to quicken the pulse-beat of enthusiasm. The majorettes add their color and skill. However, under the skillful baton of Mr. Lunkley, the band has become accomplished in classical and semi-popular music as well as the rousing marches. This is evidenced in their concerts and "A" ratings in the state contests. A broad program of instruction has been built up; a beginner progresses through four bands in preparation for the top 96-piece band. A student can learn the necessary skills in school and rent school instruments, but private lessons are encouraged by meriting points toward special music awards. The trophy pictured at the left was a new feature last year, and is inscribed each year with the name of the student voted the most valuable band member.

The Honor Society Assumes the Academic Lead

A member of the National Honor Society must excel in scholarship, leadership, character, and service. The candidates are recommended by the faculty and voted on by the senior membership.

Five percent of the junior and ten percent of the senior class can be admitted each year. As this year's project, a scholarship certificate was awarded to the highest-ranking tenth grade advisory.

Leadership, Service and Christian Standards

Special features of the Edison Leadership Club this year were the week-end at Camp Iduhapi, Leadership conference, banquet, and Edison week.

The Tommie Boosters, new this year, raised $300 for support of athletic activities. There are two members from each junior and senior advisory.

Are Important Elements in the Plot of Our Play

The membership of Christian Fellowship Club is representative of all grades at Edison. Anyone interested in Christian companionship is eligible.

The club stresses the development of personality, character, and attitudes in keeping with the teachings of Christ. It is inter-denominational.

From Business and Finances to Backstage Help;

All is quiet and orderly, as the substitute enters the advisory. Seemingly in charge of the room, is one of the Group Captains, who has been elected by his fellow advisees. There is a Group Captain in each advisory to take over in the absence of the advisor. They take care of the numerous dodgers, collect money, take attendance, and read notices.

Future Homemakers of America is one of the newer organized groups in action at Edison. Membership in the club is not limited, but is made up almost entirely of Junior High girls. These girls work for points throughout the year, with the highlight being a formal banquet. These girls have acquired the seal of womanhood — the art of homemaking.

These Clubs Play Very Important Roles...

Every Monday is bank day at Edison High. Students at school are able to place money with the school to be deposited in an individual banking account at Farmers and Mechanics Bank downtown. With the able assistance of the Bank Cashiers this is a relatively easy process of bringing the money in an envelope, properly filled out and sealed.

Future Teachers of America is composed of senior girls who intend to enter college with teaching as a profession in mind. First they have a get-acquainted tea. They then learn about educators, the many fields of education and various colleges. After this, the group visits a number of schools, and they are able to take over classes.

Through the study of foreign languages, a better understanding of other countries is brought about. French students can belong after completing one year of French. Some of their projects this year were a French dinner and a Mardi Gras. The President of this club is our foreign exchange student, "Gilly." French is her native language. *Parlez-vous francais?*

German songs are a specialty of the German Club, such as "Muss i denn" and "Mein Vater war ein Wandersmann." After completing one year of German, students can become a member of this club. This year they sent a CARE package and a chest of supplies to a German school. *Sprechen Sie Deutsch?*

Every year the language clubs have a joint Christmas party. Each club has a part in the entertainment. The big event is the reading of the Christmas story in the different languages, German, Latin, Spanish, French and English. Upon entering the first year Latin class, a student is eligible for membership in the club. *Dicitisne linguam Latinam?*

Speaking the language of our Mexican neighbors was an asset to two of our Spanish students in their summer travels. An interesting meeting was molded around their experiences. This club also made scrapbooks to send to Spain. Spanish students can belong after completing one year of Spanish. *¿ Habla usted espanol?*

Foreign Cultures Play a Part

Ghislaine Simon

Edison's first foreign exchange student, Ghislaine Simon of Belgium, is one of the four hundred forty-five whose studies this year in the United States are due to the work of the American Field Service. We appreciate the interest of the Lion's Club and Student Council in making it possible for us to enjoy "Gillie."

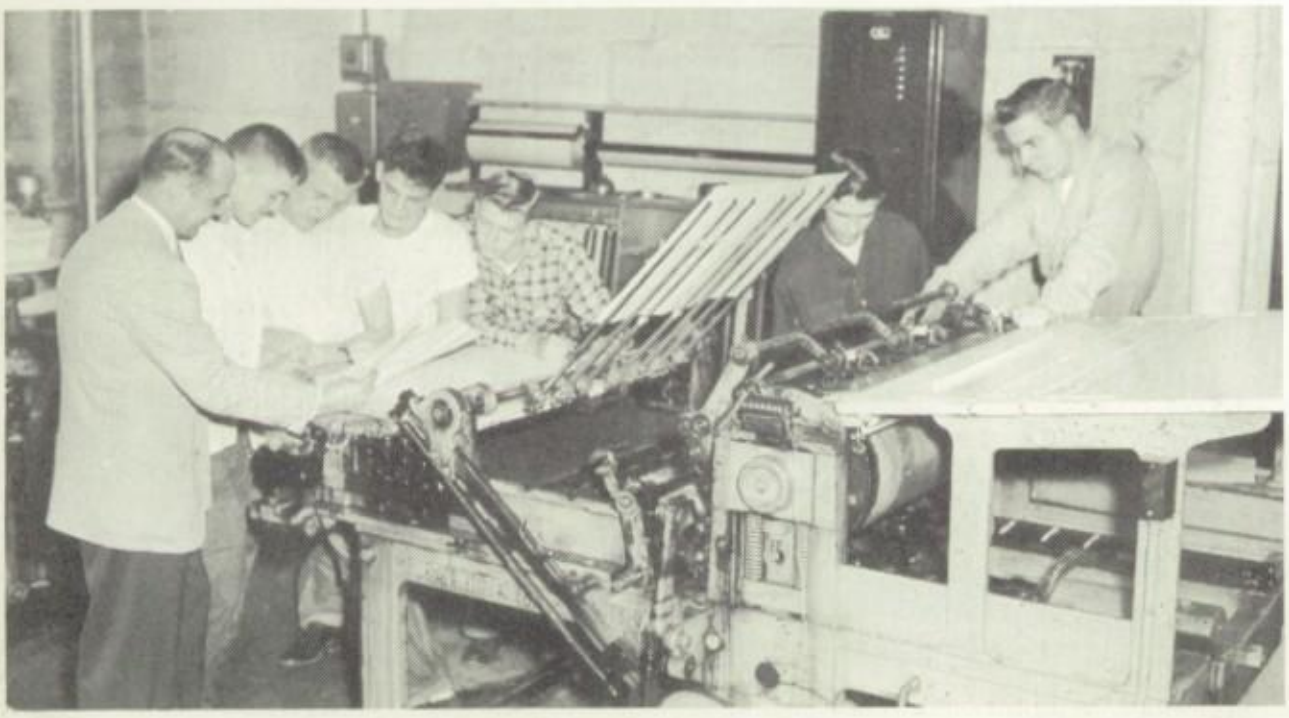
For Our Publicity, Stage Settings and Narration

Our school paper is produced in the industrial wing by a production staff of students. Most of these boys are seniors in their third year of printing; a few are juniors finishing their second year of printing. The boys gain practical experience as well as enabling the school to make a substantial saving on printing costs.

RECORD STAFF — Row 1: M. Nelson, C. Sempel, D. Fort, M. Maloy, P. O'Rourke, Mrs. Kendall. **Row 2:** D. Hyllested, D. McClung, D. Lundblad, J. Roeger, S. Schjoll, N. Heraly, D. Sundell, M. Ohlin, J. White. **Row 3:** B. Chorske, F. Bracchi, C. Drage, J. Ross, K. Ellis, J. Eklund, J. Gossler.



The Record staff is comprised of seniors, chosen for their ability and interest in journalism. Deserving staff members of Record and Wizard are selected for Quill and Scroll, a national honorary organization for high school journalists. Mrs. Kendall is new this year as Record adviser.

PRINTERS OF RECORD — Mr. Reichow, G. Peterson, A. Maxwell, J. Lloyd, N. Dennis, H. Peterson, J. Carlson.

Members of the new Art Club range from the tenth through the twelfth grades, and have bonded together because of their common interests in art fields. Thus far they have produced a homecoming float, Christmas decorations, backgrounds for the Christmas concert and German Club assembly, as well as maintaining a display case in the front hall.

Behind Scenes, These Clubs Worked Faithfully

The Stair Guards enforce traffic regulations in the halls and on the stairways. They re-direct the daring or absent-minded student who tries to go up a "down" stairway. The boys are chosen in the spring of their sophomore year and earn service points for their two years of service.

The Hall Guards are on duty in the halls sixth period. Our large enrollment makes it necessary to give these boys the authority to keep the halls quiet and orderly and check on would-be offenders. The boys receive service points for carrying out this necessary office.

Each year at Homecoming time the Junior High segment of our school nominates their choices for Prince and Princess. They choose five final candidates and on Homecoming Day the results are known. This year, on October 8, they elected Anita Wiggen as Princess and Dave Larson as Prince. This is one of the high-lights for the Junior High.

On Junior High Royalty, Activities and Scenes

Ecowasins consists of ninth grade girls who carry on many activities during the school year. The girls work in the teachers' lunchroom to earn money for club projects. This year they purchased a three-faced clock for the front hall.

The Junior High Red Cross which functions separately from the Senior High organization consists of seventh, eighth, and ninth grades. One of their projects is filling Red Cross boxes which are sent to children overseas.

The Junior National Honor society, organized at Edison in 1953, recognizes eighth and ninth grade students who have been outstanding in scholarship, leadership, character, and service. The members prove themselves deserving.

Ninth grade drama highlighted two plays presented in evening performances, in addition to the many skits and plays within the class itself. The scenes below are from "The Birds' Christmas Carol" presented on December ninth.

We Do Our Share in Providing the Harmony

The junior high music department, under the able direction of Miss Mary Barbara Ferguson, teaches all the students the fundamentals of music. The choral groups present their annual concert each spring. The ninth grade choir exchanges programs with Northeast junior high schools and also presents programs in grade schools whose students later attend Edison.

When the Drama of Edison Opens in the Fall,

The 1954 football team had an exceptionally fine season, capturing second place in the city conference and winning the gridskin trophy which was presented to the winner of the annual Edison-Marshall clash, by the East Minneapolis Argus for the East Side championship.

The team was coached to a record of four wins, two ties, and one loss by one of the most outstanding coaching staffs in the city: Mr. Guzy, Mr. Mankowski, and Mr. Parsons. These coaches deserve much credit for the team's success. We want to congratulate them for their outstanding work with the team.

E. Lyons goes through the line against Marshall.

Football Turns Our Thoughts Toward Athletics

Edison was known, this year, for its fine backfield and especially for its hard-hitting line. Some of the outstanding players in the backfield were Andy Keuser, Arnie Lubrecht, Art Solz, Earl Lyons, and Gary Mastro. The Tom line was led by captain Gary Peterson and Chuck Pearson. Both boys made the all-city team and Gary also had the honor of being the team's most valuable player. Other outstanding linemen were LeRoy Regel, Jerry Swendra, Dick Duoos, Jery Cowan, and Art Maxwell.

The sophomore team, coached by Mr. Smith, ended its season with two wins and three losses.

SOPHOMORE TEAM — Row 1: T. McGoughey, B. Burkholder, E. Kimball, J. Schiffer, J. Mastro, K. Hagstrom, J. Mitchell, D. Drevniak, L. Erickson, D. Gorski, G. Sibinski, L. Halbrooks. **Row 2:** G. Indoor Sports Demand

Due to Coach R. Berg's efforts, the Edison Gymnastics Team has steadily improved in the last two years. In dual meet competition the Toms won over South and St. Paul Murray. The team placed sixth in the City Meet and fifth in the Northwest Meet in class D.

There are many outstanding boys on this year's squad. Some of them were Captain Doug Dingman, Mike Gustafson, Ron Miskowiec, and Gene Swanson.

Next year's team will compete in C and D classes.

Muscular Coordination

The 1954-55 Wrestling Team lost its meets due to the lack of a complete team. Coach Kemp said that the team was inexperienced and fluctuated in weight.

There were many outstanding boys who won their individual matches. Joe Loren was city champion at 120 pounds. Gary Krause, who is an outstanding wrestler and twice city champion, had trouble keeping in the same weight division. The prospects for next year look very good, since both of these boys will be returning.

Winter Sports Show

Although the 1955 Hockey Team won only two games, Mr. Gunberg said that there was good team spirit.

There were many good players on this year's squad. Captain LeRoy Regel played center and defense and was outstanding at both positions. The first line consisted of Jerry Frane, Dave Olson, and John Kotchen, who did excellent offensive jobs. Jerry Olson also did a fine job as a goalie.

Next year Mr. Gunberg is looking forward to one of the best teams ever to come from Edison.

Teamwork and Action

The Ski Team made a very fine showing this season. The Toms placed second in the City Meet by taking first place in the cross country and second in the slalom event but couldn't place high enough in jumping. They then went on to take the state championship in cross country.

Some of the Tom skiers ranked among the best in the state. Captain Dave Moe and Dave Johnston were the two mainstays in the slalom, while Dave Moe and Len Smith led Edison to the state cross country title.

In Basketball, Practice and Speed Are Required

The Edison Basketball Team had a fairly respectable season. Losing five games and winning five, the Toms ended their season in a tie for fourth place in the city conference.

Coach Louis Lopata said that the team showed good spirit and did as well as could be expected. He also wanted to give special recognition to this year's captain, Earl Lyons, for his outstanding job.

Players Show Accuracy;

The Sophomore Basketball team ended a very successful season by winning seven games and losing three to capture second place in the city conference.

This year the team was coached by Mr. McWaters, who is teaching at Edison for the first time. He said that his first string consisting of Gary Ahlquist, Tom Woos, John Grotans, Cliff Johnston, and Ken Koss, should be a big help to the varsity next year.

We want to congratulate Mr. McWaters for his fine job with the Sophomore team.

Swimmers Need Stamina

The 1955 swimming team was coached by Mr. Bates, who is teaching at Edison for the first time.

All of the members of the team worked hard, but four were outstanding. Mike Brazil, captain, turned out a very good performance. Jim Treat, the only senior, did an impressive job as a diver. Leif Solberg swam the 200 yard free style. His brother, Norman, excelled in the breast stroke.

Edison entered ten meets during the course of the season, and although only a single meet was won, the team's spirit was not dampened.

Agility Is Important;

The 1954 tennis team, due to lack of experience, didn't show too well this season. The Toms ended their season with two wins and eight losses.

Captain Mike Gustafson and Doug Dingman were the two mainstays of the team. Both are juniors and will be back next season. With the return of these two boys, coach Hamrin is looking forward to a better tennis season in 1955.

Timing Is a Necessity

The golf team under the fine coaching of Mr. Liemohn, enjoyed a very successful season in 1954. The Toms, led by captain Dick Kliss, finished with an impressive record of seven wins, two losses, and one tie.

The Tom team took third place in the city meet, and second place in the District Seventeen Playoffs.

Two valuable men, Dick Kliss and Don Shoen, will not be back to compete next year.

Bill Schonebaum, captain of the 1954 team, deserves much credit for the team's success. Bill gained many points by competing in more than one event. He was outstanding in his participation in the relays and the 440. Mr. Parsons said, "Bill was one of the best 440 men in city competition." Scott Burton placed second in the high jump in the city and fourth in the same event in the state. Bob Huble, a sophomore pole vaulter, placed third in the city event. Duane Lee and Bill Schonebaum placed fourth respectively in the high jump and the 440. Art Solz for the second consecutive year placed fourth in the shot put event.

a Young Man's Fancy Turns to Baseball Practice

The 1954 baseball team had a fairly successful season. Under the coaching of Pete Guzy, the Toms came out with a respectable 4 - 4 won and lost record, tying for second in their league.

The Toms started off the season by winning over Vocational 6 - 4, and in their second game with the Volts, went on to win by a 11 - 4 victory. In the two Marshall games, Edison won the first 8-6, but dropped the second 0 - 4. In their third game the Edison players shut out North 5 - 3, while losing 5 - 9 in their second try. Edison lost both games with Henry.

The team had many outstanding players this year. Among them were Captain Bill Chorske, who was a pitcher and also played first base, Gary Wilson, catcher, and Bruce Warmuth, shortstop. All three of these players will be lost because of graduation.

J. Nord rounds third base for the Tommies.

The Cross Country Team Requires Endurance

The 1954 cross country team showed improvement over last year although still hampered by the lack of experienced runners.

Captain Ted Day, although only a sophomore, set the pace as the Toms were victorious over Henry and South to place eighth in city competition.

The team was coached by Mr. Ludford.

With Golf or Tennis,

Girls' sports, under the direction of our physical education teachers, Miss Barton, Mrs. Conover, and Mrs. Smith, consist of team sports, individual sports, folk dancing, health, marching, and gymnastics.

The 1954 golf team had a very successful season. They won the city championship from West High School for the sixth time in their six years of competition.

Our last year's tennis champions, Pat Hagen and Mary Pauser, won over some very tough competition.

TENNIS CHAMPIONS — M. Pauser and P. Hagen.

These Girls Provide the Action for Our Play

The leadership class is a group composed of tenth grade girls who are interested in becoming gym leaders. The class meets once a week, and during this class period the girls learn the rules of most of the major sports. They receive instructions on how to help conduct a class, so they can get the girls started in case the teacher has another job to take care of first. In this group they are taught the importance of physical qualifications, such as appearance and good health, as well as responsibility and cooperation.

After completing a year in a leadership class, the girls become gym aides. Then they help the gym teachers by doing such things as taking attendance and refereeing games during class time. They have the opportunity to assist those girls who need individual help in certain sports. This not only helps the student a lot, but gives the gym aide a real feeling of accomplishment. The girls perform a very valuable service to the teachers. Each girl receives one-fourth of a credit toward graduation each semester as a gym aide.

They Play Their Parts

To earn an Edison letter, a girl must have played on at least seven all-star teams during her four years of gym. If she has made this accomplishment, she is awarded the letter during an assembly which recognizes those who have received honors during the year.

Rope jumping is a popular sport with girls in the ninth grade. A new idea has been added: doing a quite simple dance step while jumping rope. It is enjoyed by all.

The girls have a two-week period during the year in which their time is devoted entirely to apparatus work.

on Basketball, Volleyball and Badminton Teams

Field hockey is somewhat like ice hockey. It is played on a 60 x 100 yard field. The equipment consists of a hard leather-covered ball and a curved hockey stick, which is similar to an ice hockey stick. Each team has eleven girls.

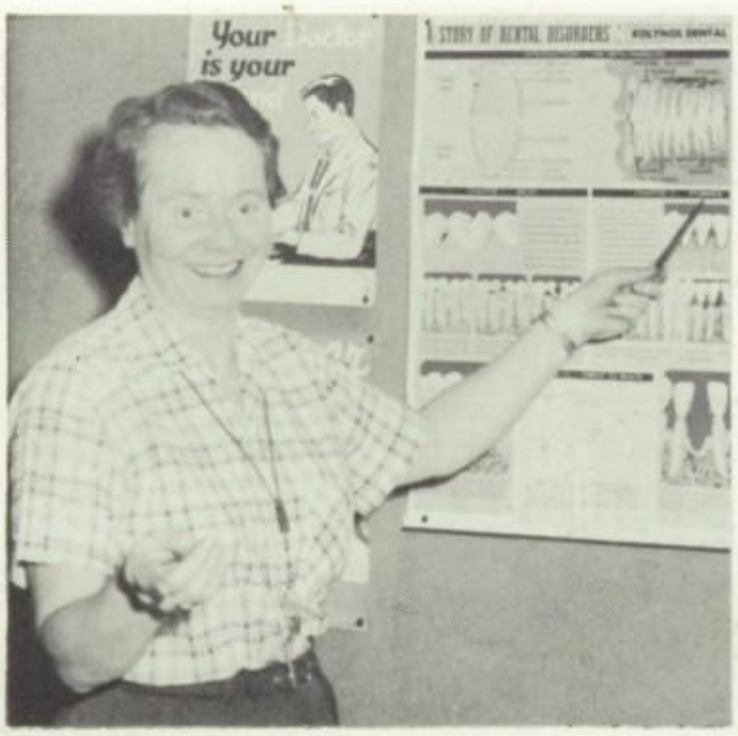
Basketball is one of the team sports taught in gym classes. The classes play games within their own class, and the winner of each class competes with the winners of the other grades. The winner in this tournament becomes the intramural championship team.

Volleyball, another team sport, is popular with the older girls. It is a game full of action and suspense. The important factor to remember in playing is to keep one's position. Each girl has a certain place to stand, and it is important that she keep within her own bounds.

Speedball is also a game full of action. It is played out of doors in the fall of the year. There are two goal posts at each end of the field, and the object is to kick the ball between the posts for one point.

9th GRADE FIELD HOCKEY CHAMPIONS — Left to right: J. Sheldon, B. Neslund, B. Curtis, B. Chapman, L. Olson, P. Pearson, S. Cederstrom, J. Sheldon, A. Nelson, M. Sporleder, K. Parlow.

If she makes it, the goal will be one point.



Mrs. Smith

9th GRADE HEALTH — Left to right: M. Garfield, P. Farrington, M. Warhol, M. Jaroscak, N. Olson.

9th GRADE FOLK DANCING — K. Thies, M. Williams, C. Benson, J. Kucsecska, E. Schimpf, B. Orlette, M. Pauman, J. Stefansky.

Selection of Activities

All girls are required to take the health course for a six-week period. Here they learn such things as personality development and body care.

Folk dancing, marching, and gymnastics are becoming as much a part of the gym program as team sports. Rhythm is important for good coordination, which is useful in other sports. The gymnastics provide for the daily exercise needed.

9th GRADE GYMNASTICS — Left to right: L. Novak, L. Hiller, B. Neslun,K. Coveney, B. Curtis, G. Harriman, S. Lynde, K. Parlow, J. Lindell.

RACKET CLUB — Row 1: S. Kuehn, G. Fredberg, N. Finnegan, D. Salmon, P. Burbank, S. Johnson, J. Gordon, J. Andrescik, D. Stoddard. **Row 2:** J. Hagen, J. Malasko, J. Kucsecska, P. Sundberg, B. Zierman, P. Iverson, B. Gramhill, Sec.-Treas., M. Ericson, Pres., C. Eklund, V. Pres., C. Neuman, J. Eklund, N. Palm, M. Wadatz. **Row 3:** T. Clapshaw, J. Sandell, B. Johnson, J. Wilson, A. Arlene, S. Lanhart, M. Wickstrom, P. Gossler, M. Rodger, S. Erie, E. Davis, D. Lundgren, D. Deutsch. **Row 4:** J. Naslund, M. J. Hage, J. Hendrickson, D. Karbo, L. Brindley, D. DeKanick, N. Orr, K. Shortridge, B. Heidemann, D. Duemke, N. Buckman, B. Ferden.

Combine to Give Our Phy. Ed. Classes Variety

This year's Racket Club was large, about eighty-two members. The Racket Club is composed of a group of girls who are the more skilled tennis or badminton players. This club meets once a week in the girls' gym. The only requirement for joining is that the student has taken badminton or tennis in a gym class for at least one semester. Even though the club was large this year, the girls enjoyed coming, and everyone had fun.

As you can see, the girls gym has a varied program. This program is designed both for recreation and for physical development. Gym class helps the girls to relax and forget their school work. It would be profitable if gym class could be continued through the senior year. Athletics also help to build the quality of good sportsmanship, a quality needed not only in athletics, but also in everyday life.

Homecoming -- Day of Royalty and Gala Events

Our 1954 Homecoming on October 8 started off with a suspense-filled assembly emceed by Steve Cannon, WMIN disc jockey. He announced the five queen candidates as they were escorted down the aisle by five senior boys. Karen Cota, Marcia Oslund, Carol Hinderman, Joann Pagel, and Lorraine Dzubak stood nervously awaiting the moment when Steve would read the name from the scroll and announce our 1954 Queen.

Judy Wiles, 1953 H.C. Queen, was ready with the crown of roses as Lorraine Dzubak was proclaimed our 1954 Queen. In the afternoon our Tommie stars played a 13 - 13 tie with Henry. At half-time our Queen and her four lovely attendants arrived on the field and took their places. The dance in the evening, held in both gyms with Nick Huble's and Loring Palmer's bands, was a wonderful ending to a most perfect Homecoming.

Queen Lorraine and her Royal Court arrived at the half in handsome convertibles.

# of This Eventful Day

Our 1954 Homecoming Button

The Big Moment came when Judy Wiles, 1953 Homecoming Queen, crowned Lorraine Dzubak our new Queen. Mr. Samuelson then presented her with a beautiful bouquet of red roses.

Our 1954 Homecoming was highlighted by six floats at halftime. The Art Club 2-8 Boys, Wizard, Cheerleaders, Senior Girls, and New Brighton kids worked on this part of Homecoming.

The Queen and her Royalty visited Dana who was unable to attend the grand day of events. He was very much surprised and happy to see them and also to receive a special kiss from the Queen.

B. Cook is terrified to find the body of B. Olson.

E. Hanson and D. Jorgenson are questioning L. Johnson as B. Cook and J. Vincent look on mystified.

Fads 'n Fashions Were

Sailor Middies and Boy Blouses were sharp on the girls.

Ruffled Can Can Petticoats were the needed flare for full skirts..

Top with the guys were Cords, Flannels, Sweaters, and Shirts.

Novelty Belts and Rope Beads were snappy accessories.

Leather and Poplin Ski Jackets were typical winter wear.

Featured in Fifty-five

Jumpers went anywhere with a sweater or blouse.

Short hair set the style with the Duck Tail and the Napoleon.

Fashionable with girls were dressy Shell Flats and casual Sno Boots.

Wool flannel and nylon were popular materials in Boys' Jackets.

Trim Tapered Slacks and Pedal Pushers were tops for sports wea

L. Dzubak and C. Wagner drag their men over the finish line at the Sadie Hawkins Dance where the girls paid for all.

Betty Rondeau and George Grisim let go with a hot lindy at our Senior Winter Party on Feb. 26 at the Chalet.

Some of the guys and girls sit out one of the dances at our Winter Prom, the Sno Swirl, which was held Jan. 22 at the Dyckman Hotel.

Chuck Johnson, Lil' Carole Compton, Lu Windahl, and Fud Johnson.

Left: The girls went all out in decorating their socs for the Record's annual Soc Hop on Sept. 17, at school.

Center: An added attraction to the Winter Carnival was a Fun Fest in the boys' gym. C. Johnson waits for L. Windahl to take her turn at the Dart Game.

Right: Everyone had a lot of fun throwing wet sponges in the faces of three willing boys, at this popular booth.

These Events Highlighted A Gala Year

Having a terrific time at our "Moonlight and Roses" Winter Party.

Shown here are the candidates for king at our annual Winter Carnival, Feb. 4, 1955: Red Lyons and Chuck Drage, seated; Gene Hansen, Andy Keuser, and Jerry Nelson, standing. Red Lyons was chosen King to reign over the festivities of the day which were concluded by a dance in the evening with Hugh Cardenas' Band.

L. Gadbaw and Miss Dorothy Dodge, guest speaker, confer after our UN assembly.

At a Brotherhood Assembly, sponsored by Blue Tri and Hi-Y, Syed Alwi from Malaya, Mike Ogiro from Japan, and Ashiq Ali from Pakistan gave short talks.

The German club members sang merrily during their assembly.

Wizard Assembly shows the villain poisoning our heroine's tea.

The Wizard Staff put on a thrilling melodrama.

Many odd things take place during advisory.

Center: Pyramus and Thisbe, a satire on love from, "A Midsummer Night's Dream," was presented by the Senior Drama Class.

L. Regel, K. Cota, and J. Eklund stop to chat at their lockers.

A 40-yard dash to study hall.

Between Productions, Scenes Like These Took Place

B. Peterson, V. Moran, P. Dickenson, J. Godfrey, C. Palkowski, and C. Sandin are shown with their new Napoleon cuts. This fad caught on fast because the girls didn't have to worry about setting their hair every night.

Left: E. Hansen directs the singing at the Leadership Club's annual conference with city and suburb schools.

Right: Our cheerleaders who did a swell job keeping spirits high at all our sports events: K. Cota, L. Johnson, V. Gosselin, B. Peterson, S. Solz, L. Dzubak.

Now, As the Drama of Edison Draws to a Close,

The curtain falls now, as the act of another year is ended in the series of annuals that make up the history and tradition of Edison High. We, the staff of the 1955 Wizard, can now look back on the months of cutlines and deadlines that produced this yearbook.

Haziness and uncertainty marked our early attempts. Searching files of annuals failed at first to yield the windfall of ideas that we would need. Then, in the theatre, we found our theme, and from its language we wrote our commentary. The layouts took their shape by development of trial and error sketchings. Finally, each picture found its place, and related copy was edited to fit.

All this we leave behind now, as we join the rest of our senior class in the ranks of the alumni. Never will we forget these familiar walls or the wonderful times that took place within them. And it is with regret that we now say, "Farewell, and good luck!"
